MAXIMISING ATTENDANCE AND MANAGING SICKNESS ABSENCE

Schools must ensure that the best education is provided for children and in order to achieve that, it is essential for line managers to know when a member of staff is unable to attend work in order that they can re-organise work and minimise the impact of staff absence for students and colleagues. This Policy also assists managers in taking action to arrange any appropriate support for the member of staff and to address issues that may prevent maximum attendance of staff. Line managers must ensure that staff are aware of and follow the procedure for notifying every absence.

A. INTRODUCTION AND PURPOSE

A.1. Responsibility for maximising attendance and managing staff absence

It is the responsibility of the Governing Body and Headteacher to ensure that the attendance of staff is maximised and any sickness absence is managed effectively with a view to it being kept to a minimum. Effective absence management ensures that members of staff are not at school if they are ill and that causes of absence are addressed, where appropriate. Good absence management depends on prompt, sensitive and appropriate action by managers.

A.2. Consultation

This model policy is provided, following consultation with Trade Unions/Professional Associations, for the Governing Body to consider for adoption. Should the Governing Body wish to make changes to this model policy, the required consultation must be undertaken with the County Officers of the recognised Trade Unions/Professional Associations.

A.3. Costs

Schools that do not purchase support from the DCC Schools' Personnel Service, must ensure that either they or their personnel service provider have adequate financial resources to cover any costs arising from any subsequent claims.

A.4. Legislative Base

This policy takes into account the statutory requirements of:

- Employment Rights Act 1996 (as amended)
- Employment Act 2002
- Employment Relation Act 2004
- Disability Discrimination Act 1995
- The Employment Equality (Age) Regulations 2006
- Education (Health Standards) (England) Regulations 2003.
- Conditions of Service for School Teachers in England and Wales
- National Joint Council for Local Government Services

A.5. Aim of this policy

This policy supports and manages staff during ill health absences and return to work. This policy also provides clear guidance on dealing with frequent non-attendance at work. The aim of this policy is to secure a sustained improvement in attendance through a sympathetic and supportive approach. All previous managing sickness absence procedures adopted by the Governing Body are superseded by this policy.

A.6. Coverage

This policy applies to all staff in the school and will be made available to every member of staff through the school's internal systems.

A.7. Contractual provisions

Standards of attendance are implied within the employment contract and require staff to attend work when they are fit to do so and comply with this policy.

B. POLICY

B.1. Duty to act

The Governing Body values the contribution of all its staff to the provision of education of children at the school. Whilst recognising that staff may be prevented from attending work through ill health, the Governing Body has a duty to provide an effective education and minimise disruption and is therefore committed to maximising attendance by managing sickness absence. This will be achieved through:

- promotion of the health, safety and well-being of all staff;
- procedures to support and manage staff at work, during ill-health absences and returns to work, whilst dealing with unjustified absence;
- monitoring levels of absence for individuals within the school.

B.2. Terms and Conditions of Sickness scheme

The terms and conditions of the sickness scheme are detailed in the appropriate conditions of service; NJC for Local Government Services Handbook (Commonly known as the 'Green Book') or Conditions of Service for School Teachers in England and Wales (Commonly known as the 'Burgundy Book').

B.3. Application of the Policy:

This policy for maximising attendance and managing sickness absence will be:

- non-discriminatory and in accordance with the School's Equality policies;
- in compliance with the provisions and requirements of the Disability Discrimination Act, 1995;
- consistently and fairly applied across the School;
- positive and preventative rather than punitive;
- sensitive and supportive to those individuals suffering the effects of ill health;
- conducted with respect for the confidentiality of individuals and in accordance with the Data Protection Act 1998;
- based on open communication between members of staff and their managers;
- explicit about the responsibilities for all involved;
- aimed at distinguishing between sickness absence and the abuse of the sickness absence system.

C. CONFIDENTIALITY

The application of this policy and any information divulged as a consequence should be considered confidential by all parties involved. Disclosure of any information to any third party will be made in accordance with this policy and/or for the purposes of obtaining appropriate professional advice and/or that may be required to do by law.

D. EQUAL OPPORTUNITIES

This procedure is based on best practice and is designed to promote a consistent and fair approach to attendance issues in the school. The Governing Body will ensure that the application of the policy will not disproportionately or unfairly affect any staff in the school recognising the diversity of the community.

E. GENERAL PRINCIPLES

E.1. Being accompanied at meetings

A representative from a recognised Trade Union/Professional Association, or an appropriate work colleague, may accompany a member of staff at all stages of the procedure. The Headteacher/designated Manager is advised to make staff members aware of this provision.

E.2. Sensitive situations

There may be occasions when, due to the highly sensitive nature of the cause of absence, extra discretion and sensitivity are required, e.g. a female member of staff may prefer to discuss her absence with an agreed appropriate female manager, a male member of staff with an agreed appropriate male manager. Once agreed on such sensitive occasions, this arrangement may apply for the whole of the application of this policy.

E.3. Support for employees

Additional support for employees who are experiencing absence from work, can be obtained from their Trade Union/Professional Association, as well as the Devon County Council Counselling Service via their confidential mailbox at: counsel@devon.gov.uk or by telephone to 01392 383277.

Further information on the Counselling Service can be found at:
www.staff.devon.gov.uk/pp/er/healthsafetywellbeing/wellbeing/wawdetail/counsellingwelfare.htm

Teachers can also seek information and support from the Teacher Support Network at: www.teachersupport.info/contact.

E.4. Trade Union/Professional Association representatives

Although the usual standards of attendance apply to Trade Union/Professional Association representatives, no action will be taken within this policy against an employee who is an accredited Trade Union/Professional Association representative, nor will suspension normally be applied, until the circumstances of the case have been discussed with a full-time or other official nominated for such purposes of the Trade Union/Professional Association concerned.

E.5. Principles of Natural Justice

Essential to the fair and reasonable application of these procedures, is the underlying commitment to the principles of natural justice, namely:

- The employee must know, in full, where the manager's has concerns about his/her attendance levels at the earliest appropriate opportunity;
- The employee must have an opportunity to state his/her case before any decision is made;
- The determinations must be unbiased, fair and made in good faith;
- The employee must have the right to appeal in as specified in this policy;
- The employee has the right to be accompanied.

E.6. Local Authority Representation

The Director of Children and Young People's Service must be represented by a DCC Personnel Officer at any meeting where dismissal is being considered. Any advice given must be considered by the Governing Body or any person or persons to whom such functions have been delegated when reaching any such decision.

E.7. Time Limits

The time limits in this policy may be varied by mutual agreement in individual cases.

E.8. Pensions

Termination of employment under this procedure does not mean that the member of staff's pension will be released automatically. The employee should seek further advice from their pension provider. The employee's Trade Unions/Professional Association may also be able to provide information.

Teachers should contact Teachers' Pensions at www.teacherspensions.co.uk. Support staff belonging to the Local Government Pension Scheme can make contact at: www.lgps.org.uk

E.9. Medical Suspension

In a few rare cases it may be necessary to suspend a member of staff on full pay on medical grounds in order to ensure that the employee does not stay at work or resume his/her duties if there is a risk to him/herself, pupils or anyone s/he may come into contact with. Suspension should only be carried out on the advice of the Wellbeing@Work in line with the Education (Health Standards) (England) Regulations 2003. Advice should always be taken from the personnel provider before the headteacher makes any such determination. The suspension may only be lifted by the Governing Body.

F. STATUTORY REPORTING OBLIGATIONS

No Statutory reporting obligations exist under this policy

K. REPORTING ABSENCE

K.1. The First Day of Absence

Every absence must be notified by the employee and recorded by the school. Reporting by the school must also take place to ensure the prompt and correct payment of sick pay/allowances is made to employees that meet the eligibility criteria. Accurate records must be kept by the school of the employee's absences from work.

- Give details of illness or injury, anticipated length of absence from work, and if there are any work commitments or deadlines that need re-arranging/meeting.

L. KEEPING IN TOUCH

It is important for Headteacher/designated Managers and staff to keep in contact in order to encourage staff to return to work as soon as they are able to do so and to avoid members of staff losing touch with the School. Headteacher/designated Managers need to be kept informed of a member of staff's progress in order to try to ensure appropriate support, organise work and maintain service delivery.

In exceptional circumstances it may be appropriate for the direct contact to be with a manager in the School other than the member of staff's Headteacher/designated Manager. The Headteacher/designated Manager needs to ensure this responsibility is designated to an appropriate person. In exceptional circumstances the School may agree to contact being maintained via a named representative agreeable to the school and the employee (e.g. relative, Trade Union/Professional Association representative).

EMPLOYEE RESPONSIBILITIES

- Keep Headteacher/designated Manager informed of progress.
- Advise on the continuing reason for absence and when likely to be fit to return to work, if known.
- Provide medical certificates in accordance with this policy.
- Advise any adjustments that could be made to work place or duties to facilitate a return to work.

LINE MANAGER RESPONSIBILITIES

- Ensure reasonable, sensitive and appropriate contact is maintained with staff absent from work due to ill health.
- Contact may be made through telephone conversations, letters or meetings at mutually agreed locations.
- Keep a file note of dates of contact and progress made.
- Ascertain if the staff member wishes to be kept up to date with school issues e.g. notes of staff meetings, school newsletters etc. There should be no expectation that an employee will undertake work while they are off sick.
- If a member of staff is absent for over three weeks, contact should be made through a meeting at a mutually agreed location, by prior arrangement.

**If this policy has been printed please note that it may not be the most up-to-date version. This version dated 01.06.08

M. RETURN TO WORK MEETINGS

Every member of staff should be seen by their Headteacher/designated Manager after every sickness absence to make sure s/he is fit for work and to determine whether any support or adjustments are needed. This could be an informal contact depending on the circumstances of the absence.

EMPLOYEE'S RESPONSIBILITIES

- Inform the Headteacher/designated Manager at the earliest opportunity of proposed date of return to work (and no later than at the beginning of the first day back).
- Discuss the circumstances of the absence with the Headteacher/designated Manager.
- Discuss any support or adjustments that could be considered.

LINE MANAGER'S RESPONSIBILITIES

- Meet with the employee, face-to-face ideally, on the first day back at work.
- Confirm the reasons for the absence. Identify and address any problems at an early stage. Ensure all certification is complete.
- Ensure the employee has complied with certification requirements.
- Discuss any support or adjustments that could be considered.
- Record the absence on the Absence Record Chart.
- Update staff member on relevant school issues.
- Discuss any concerns about the absence or absence record generally.
- Consider referral to W@W if appropriate.
- Completion of appropriate risk assessment.
- Consider need to convene Absence Meeting.

N. MONITORING ABSENCE

N.1. Responsibility to maximise attendance and monitor absence

The Governing Body and the Headteacher must monitor sickness absence within the school. This is to ensure that an accurate record exists of sickness absence both individually and by School and to enable positive action to be taken to address excessive levels.

**If this policy has been printed please note that it may not be the most up-to-date version. This version dated 01.06.08

N.2. Trigger Points

Triggers points provide consistency of approach and ensure the Governing Body and the Headteacher are aware of developing patterns of absence, and will define the points at which it is appropriate for managers to review the sickness absence history of an individual member of staff, in order to help improve the member of staff's attendance at work. The trigger points should be equally applied to all staff.

The trigger levels are:

- **3 or more instances of sickness absences in any 3 month period**
- **6 or more instances of sickness absences in any 12month period**
- **8 or more days sickness absence within any 12 month period**
- **Any other recognisable pattern, e.g. always absent on a Monday or at certain times of year.**

If any member of staff accumulates the above levels of absences, the Headteacher/designated Manager should initiate the process documented in this policy.

N.3. Who should manage the process

In the case of a Headteacher, the Chair of Governors supported by the School's Personnel Provider should be responsible for applying the procedure. For all other employees, the staff member's Headteacher/designated Manager (or in exceptional circumstances another manager identified by the Headteacher, e.g. Deputy Headteacher) will be responsible for carrying out all stages of the procedure. For ease of reference the person managing the process will be known as **'the Responsible Officer'**

EMPLOYEE'S RESPONSIBILITIES

- To participate with the Responsible Officer in a review of his/her absence record.
- To attend a medical examination at Wellbeing@Work. (Failure to attend agreed appointments for reasons other than those acceptable to the authority e.g. being too unwell or on pre-booked leave, may result in disciplinary action).

RESPONSIBLE OFFICER'S RESPONSIBILITIES

- To ensure that he/she has up to date and correct information on all staff absence, utilising the reports available e.g. Absence Record Chart.
- To review a member of staff's absence record when trigger points are reached.

O. FIRST ABSENCE MEETING

This meeting should take place as soon as possible and normally within ten working days:

- of any one of the trigger points above being met and/or
- of any concern for the employee's welfare and/or
- of any concern for the welfare of others who s/he may come into contact with.

The meeting should be carried out at a suitable location depending on the circumstances. If the employee is absent from work it may be appropriate to have the discussion on the telephone or via a union representative with the consent of the employee.

O.1. Advising the Member of Staff

The employee should be given a copy of this policy and advised that the meeting will consider:

- a) the circumstances surrounding the absences (continuing sickness absence or frequent short term absences) or the concerns for his/her welfare and/or the welfare of others;
- b) the effect his/her absence is having on the education being provided to the pupils and informed of the arrangements in place;
- c) his/her absence record, a copy should be give to the employee in advance of the meeting – the member of staff should be asked to confirm this as accurate;
- d) where advice from W@W is already available and this does not indicate that the employee is permanently unfit or should be redeployed, the implications of the medical advice on his/her continued employment should be outlined and confirmed;
- e) that the member of staff may be accompanied by a Trade Union/Professional Association representative or work colleague;

P.3. Significant improvement in attendance

Where there has been no absence during the period between the First and Second Absence Meeting, the Headteacher may, in conveying the decision, advise the employee that should s/he meet the trigger points within the next 12 months that the procedure will continue from Second Absence Meeting Stage.

Q. THE FORMAL HEARING

The Hearing may be conducted by the Headteacher in accordance with his/her delegated responsibilities and if he/she has had no previous involvement in the matters being considered, otherwise the First Committee of Governors will conduct it. In the case of the Headteacher, the First Committee will conduct the Hearing.

The purpose of the Hearing is to consider the Responsible Officer's report and to give the member of staff the opportunity to respond to it and/or provide any details of special circumstance before a decision is made on the member of staff's future employment.

The Hearing should be conducted in accordance with employment law and good employee relations practice.

Once the decision has been made to convene a Formal Hearing under the Maximising Attendance and Managing Sickness Absence Policy, the employee will be notified in writing that a Hearing will take place to consider either:

- his/her on-going absence of the member of staff from work due to ill health
- or
- his/her inability of the member of staff to attend work and give regular service.

The Responsible Officer will prepare a report on the level and effect of the sickness absence and action taken, including meetings and appropriate notes of meetings, factual medical information and a current medical opinion from Wellbeing@Work (including any information from the employee's GP/consultant, subject to the Access to Medical Records Act) should be covered in the report. In the case of a person with disabilities, the report should state what efforts have been undertaken to make any reasonable adjustments.

The employee will be given a copy of the Absence Report with the letter. At least ten clear consecutive days' notice of the Hearing must be given.

Q.1. Formal Notification of Formal Hearing

The formal notification will include:

- j) the fact that the Hearing may take place in the member of staff's absence if s/he fails to attend without a satisfactory explanation. If s/he is unable to attend through illness, s/he should arrange representation at the meeting and provide written submissions to the Hearing.
- k) the employee's right to be represented by a recognised Trade Union/Professional Association representative or work colleague and to call witnesses and that it is his/her responsibility to arrange this;
- l) the employee's right to submit any documentation;
- m) a copy of the Maximising Attendance and Managing Sickness Absence Policy;

- o) that the Clerk to Governors must receive from the employee or his/her representative, all the documentation, the names of witnesses that s/he may wish to call and any written representations the employee may wish to make at least four days before the date set aside for the Hearing;

A copy of the formal notification letter and report and any submissions from the member of staff should be sent to the person(s) conducting the Hearing and the Personnel Adviser.

If a Hearing may result in the dismissal of a member of staff, a DCC Personnel representative will attend to represent the Director of CYPS. Advice from the Director's representative's advice must be considered by the person (s) conducting the Hearing.

At the end of the Hearing, there will be an adjournment to enable the person(s) conducting the Hearing to consider all the evidence presented. It is normal practice for the Personnel Adviser who has advised the panel to be present during the decision making process. The Personnel Adviser will not have been previously involved in advising on the specific case. The person(s) conducting the Hearing may take one of the following courses of action, according to the circumstances of the case:

- a) To issue the member of staff with a final warning advising that the stage has been reached where it will be impossible to continue his/her employment unless his/her level of absence from school improves and that the situation will be kept under review within a defined period up to a maximum of 12 months with a target for attendance set by the Responsible Officer.
- b) Where an employee's absence has been at such a level as to impair/limit his/her experience or development in his/her post, alternative work of a nature more suitable to the member of staff's state of health shall be sought within the school, failing which, his/her employment will be terminated as below.
- c) to dismiss the employee with the notice to which they are entitled by law or under his/her contract of employment because his/her sickness record is such that the stage had been reached when it is impossible to continue with his/her employment as they are incapable of satisfactorily performing the job for which they are employed.
- d) Any other appropriate action in keeping within the spirit of this policy (to maximise attendance and manage sickness absence) that has due regard to the financial means of the School and does not impact on the provision of education to children nor the health, safety and/or wellbeing of the employee or his/her colleagues.

The decision will be announced orally to the employee or his/her representative at the conclusion of the Hearing or as soon as appropriate.

The decision will be confirmed in writing to the employee within seven clear, consecutive days.

If the decision is to recommend dismissal, the Chair of a Community or Voluntary Controlled School will formally notify DCC Schools' Personnel in writing, within seven days, giving the reason for the determination.

Schools' Personnel will issue notice of dismissal on behalf of the LA in Community and Voluntary Controlled schools within 14 days. In the case of summary dismissal this will be with immediate effect from the date of the letter from the LA.

In the case of Voluntary Aided, Foundation or Trust Schools, the Chair of Governors will issue notice of dismissal.

R. THE APPEAL HEARING

An employee can appeal against the outcome of the Formal Hearing, if that decision is to issue the employee with a final warning or dismiss the employee from their employment.

The right of appeal must be exercised in writing to the Clerk of Governors stating the grounds for the appeal within ten clear consecutive days of receipt of the letter of confirmation of the decision of the Hearing.

The potential grounds for appeal are that:

- a) The investigation process was flawed;
- b) The decision of the Hearing was too harsh taking into account the circumstances;
- c) There was a procedural error.

The purpose of the Appeal Hearing is to give the employee the opportunity to have the grounds of appeal considered by a committee of governors who have had no previous involvement.

The Appeal Hearing will be convened at the earliest convenient date and seven clear consecutive days notice will be given.

The Appeal Committee will ensure that the proceedings adhere to good personnel practice.

Following an adjournment to allow the committee to consider the evidence and reach their decision, the Chair of the Committee will notify the appellant of the decision and the reasons for it. It is normal practice for the Personnel Adviser who has advised the panel to be present during the decision making process.

The Committee may decide:

- a) To adjourn pending reconsideration by the person(s) who conducted the original Hearing, where a significant amount of fresh information or evidence which was not available at the time of the Hearing is brought to light;
- b) To uphold the appeal by determining that the person(s) conducting the original Hearing erred in judgement and to determine what further action should take place;
- c) To conclude that a procedural irregularity occurred and make a recommendation to rectify the situation;
- d) To reject the appeal and the decision of the original Hearing stands.

The decision will be confirmed in writing within seven clear consecutive days.

Where there is determination to uphold the appeal, the Chair will notify the Schools' Personnel Service in writing within seven clear, consecutive days, giving the reason for the determination. The Schools' Personnel Service will rescind the notice for Community and Voluntary Controlled schools. In the case of Voluntary Aided and Foundation schools, the Chair of Governors will rescind the notice of dismissal.

The Appeal Committee decision is final.
