

Residential Consultation

for Children and Young People's Families'

We have had some lovely comments from the Parent Consultation questionnaire we sent out, and some very constructive feedback. This will be taken into consideration as we seek to develop and improve the school further.

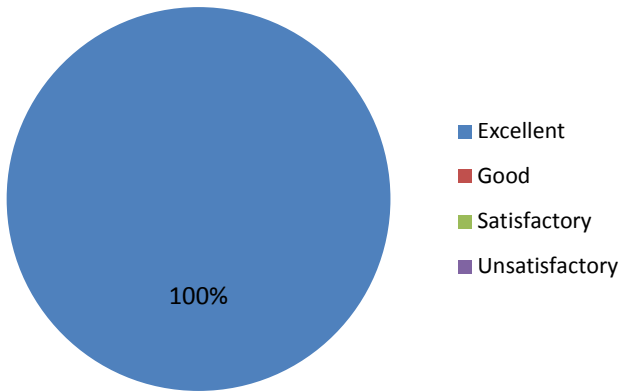

Please find below some of the comments and the questionnaire feedback we received.

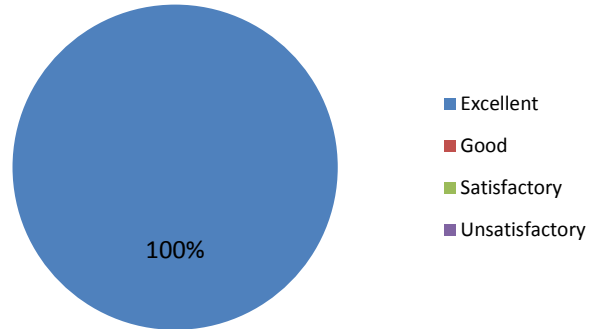

Questionnaire Feedback from the Parent Consultation 2016

Oaklands Park School

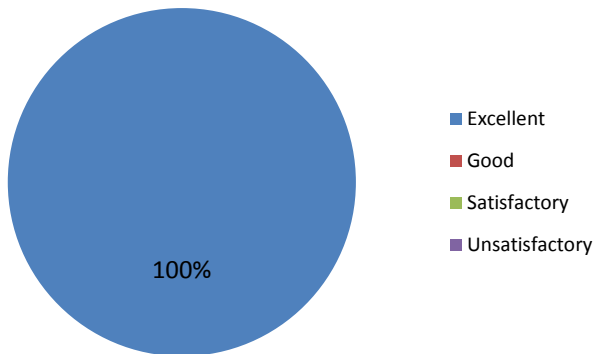

How do you consider the care you/your child receives to be?

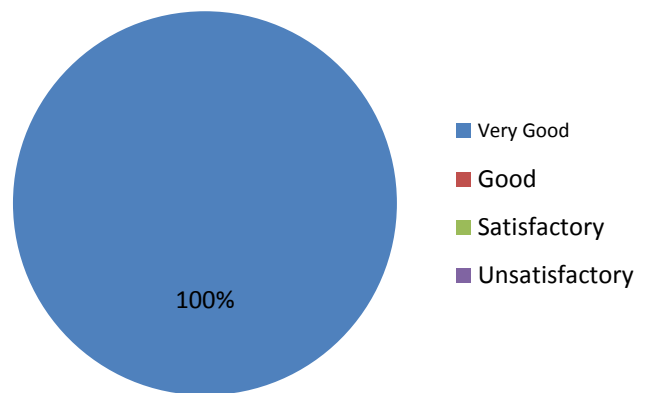

How do you consider the Residence is of sufficient size and space to allow your child to play, maintain privacy and provide somewhere to facilitate visits without intrusion?

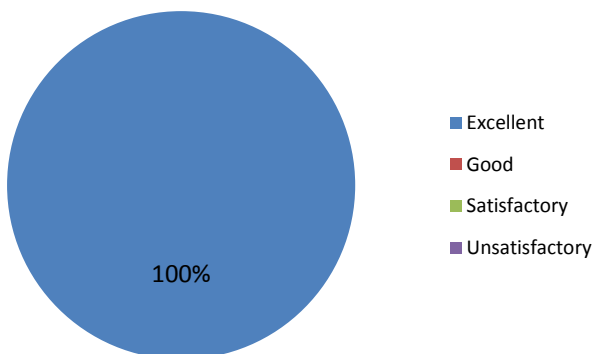

How do you consider the communication between the Residence and home, and do you feel you are kept informed?

How do you feel leaving your child at the Residence?

How would you best describe the activities and/or free time provided for your child whilst at the Residence:

Please indicate which of the following best describes the Residence's facilities:
